March 12, 2008

Dear Sir or Madam:

The staff of the California Air Resources Board (ARB/ Board) invites you to participate in a public consultation meeting to discuss Low Carbon Fuel Standards (LCFS). This meeting is intended to provide an opportunity for stakeholders to discuss the draft proposal for the California LCFS. The draft proposal will be posted at the LCFS website (<http://www.arb.ca.gov/fuels/lcfs/lcfs.htm>) approximately one week prior to the workshop meeting. The date, time and place of the workshop are shown below:

Date: Tuesday, March 25, 2008
Time: 9:00 a.m. to 5:00 p.m.
Location: California Energy Commission (CEC)
Hearing Room 1A
1516 9th Street
Sacramento, California 95814

This workshop will be webcast. You may access the webcast at CEC homepage, <http://www.energy.ca.gov/webcast/index.html>. You may participate in the workshop via teleconference by dialing toll-free (888) 390-3110 and giving the participant code, CARBON, and leader name, JOHN COURTIS. International callers can participate via teleconference by calling the toll number 1-210-234-0002.

If you have a disability and require assistance to participate, please contact Lou Quiroz, Equal Employment Officer, CEC at (916) 654-5146 at least five days before the meeting.

*The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption.
For a list of simple ways you can reduce demand and cut your energy costs, see our website: <http://www.arb.ca.gov>.*
